Lashing & Securing

We are able to handle a large volume of work in an efficient, safe and timely manner, with attention to detail and continuous flexibility to change during assignments. We work according to the latest techniques, standards and requirements.

Besides securing your cargo on board of sea-going vessels, we offer this service in containers, flat racks and rail wagons. In short, for virtually every form of transport we are able to secure your cargo, regardless of shape, weight and volume.

To professionally carry out our activities, we have a wide range and immediately available stock of materials and advanced tools. Our primary and continuous goal is to prevent damage during transportation, 24 hours a day, seven days a week!

NVOCC

As an NVOCC, we sign contracts with Shipping Lines to guarantee shipping a certain number of units each year. In return, the Shipping Line offers a favorable service with best ocean freight rates to Arrow Express.

We also act as a buyers' consolidating agent for various large and medium size buying houses spread worldwide. Buyers and their agents in overseas are always informed of the cargo readiness and stuffing is done as per the buyer's instructions.

We also handle 'Groupage' service at all major ports. Trade lanes are divided and earmarked to suit different trade patterns. Our strong and reliable overseas network is geared to deliver cargo even to the remote destination.
