

Thank you for your interest in OceanX. Note that all applying parties are subject to a screening process and membership is by invite only. This express sign - up form requires the most important information about your company as well your industry expertise and specialization. Upon submission, OceanX will evaluate all details given, and will inform you on which membership category you are eligible to apply. An invitation email will follow with all the details you need to complete the online application, along with a guided tour of our network and customized ocean freight community tools. Email your form to mgt@oceanx.network
